

# A Breath of Fresh Art

*martinis, mix & mingle*

The Cystic Fibrosis Foundation is proud to present the 4th Annual *A Breath of Fresh Art* to be held October 17, 2009 at Hart Witzten Gallery with 300+ Charlotteans expected to indulge in the evening's festivities.

The Foundation is excited to invite you to be a part of a swanky evening of art, culture, lively entertainment and signature martinis! *A Breath of Fresh Art* features a memorable auction, and paintings created by local children battling cystic fibrosis (CF). Interactive entertainment will keep the night energized with dancers, local artists, music and a few surprises sure to make for a memorable evening.

### **Spectacular auction items are vital to our success.**

You are invited to be a part of this unique event by making a special tax-deductible contribution of item(s) to be highlighted in our auction. By donating, you not only market your distinctive product or service to a diverse group of young professionals, corporate

executives, philanthropic individuals and social butterflies, but also partner with one of the most efficient charities in the country with nearly 90 cents of every dollar going to research, development, and care for children and young adults fighting CF. You are encouraged to send any marketing materials to display with the donation.

*A Breath of Fresh Art* is held in memory and in honor of children and young adults battling this country's most fatal genetic disease, cystic fibrosis, which affects the lungs and pancreas. With your help, we will give the children and young adults with cystic fibrosis the future they deserve. Together, we can add tomorrows every day.

Enclosed is information on the event and CF along with a donation form to complete detailing your contribution. Please contact me with any questions at (704) 321-7852. Thank you for your time and consideration. It truly is with YOUR support that CF will stand for Cure Found!

Sincerely,

Gretchen
